The Great Easter Egg Hunt was a great success!

Congratulations to Chairpersons Mike Seaman and Martin Latham for their hard work and leadership at this year's Easter Egg Hunt.

An estimated 1,000 attendees enjoyed food, visiting vendor booths, and a variety of games and activities. AHRCers and community members filled 6,000 eggs in the weeks leading up to the event!

Campus Beautification Day

Students and other volunteers who arrived at Canyon High School early on a recent Saturday morning were delighted to be greeted by members of the Anaheim Hills Rotary Club. The AHRCers were serving doughnuts and other breakfast treats to the estimated 250 volunteers who came to wash windows, gather leaves and debris, and perform other clean-up duties during the school's annual Campus Beautification Day.

Valentine's Day Celebration

AHRC members and their guests were treated to another fun-filled Valentine's Day event, thanks to the efforts of our terrific Club Service Director, Debra Patriquin. This year's celebration at The Clubhouse featured a delicious dinner followed by games (including Twister!) and the opportunity to take photos at a Valentine's Day-themed photo booth.

Anaheim Hills Rotary Club

Chartered in 1985

Our Newest Member!

AHRC is delighted to announce that Ken Strickland is now a regular member of our club. For years an associate member of AHRC, Ken was a longtime member of the St. Marys, Ohio Rotary Club. Seen below with his wife, granddaughters, and daughter-in-law, AHRC President Jonelle Strickland, Ken was recently recognized for his generous contributions to The Rotary Foundation. Ken models the Rotary motto of "service above self" – we are so pleased to have him as a member of our club!

Visiting Rotarians

Lloyd Butler (seen standing above), a member of the New Kingston, Jamaica Rotary Club is making AHRC his "Rotary home away from home" and we couldn't be more pleased. Last week, AHRC welcomed Cliff Hague (right) of the Rotary Club of Avalon, who presented information on his club's global grant project, which provides clean-water to communities in Guatemala.
