## Santa Arrives at RMH Orange

Rotary clubs have many dedicated members, but the Anaheim Hills Rotary Club is proud to report that it counts Santa among its ranks! Along with some of his AHRC elves, Santa recently delivered presents, hot apple cider, and some cheer to the families who are guests of the Ronald McDonald House in Orange this holiday season.

Santa delivered a new truck to Asher (seen below) as Roy Jefferson and other AHRCers served cider to all who had gathered to

see Santa and play with Maddie, member Mike Seaman's therapy dog.

RMH Orange is a "home away from home" for the families of children receiving critical care at local hospitals, and AHRC is proud to have served dinner at RMH Orange monthly for over seven years. Contact project chairperson Tom Wollam to volunteer to serve dinner and support this wonderful community service project.

# Community Service Project News

Thanks to the generosity of club members and the Anaheim Hills community, AHRC collected over 200 purses and a myriad of personal care items for donation to Joanie's Purse Project. Berd Dunlap (see below in center) was overwhelmed by the donation and she happily noted that AHRC is "the number one contributor to Joanie's".

Joanie's Purse Project helps women in shelters and other programs and donation recipient agencies include Center 4 Special Needs, Center for Drug & Alcohol Recovery, Collette's Children's Home, Grandma's House of Hope, Isaiah House, Orange Senior Center, and Women Helping Women.

## Trash Talker

David Tieu (seen below), an engineer with Orange County Waste and Recycling, recently delivered an informative presentation to AHRCers on local recycling programs and OC's waste management infrastructure.

Kevin Fuhrmann, Marketing and Development Manager at the Blind Children's Learning Center, sent us this

photo of one of BCLC's students about to enjoy a fun ride on the center's playground swing. The ramp was donated by AHRC through the STEP (Supporting Teaching and Educational Programs) project last year. This year, \$9K of supplies and programs for local schools and learning institutions will again be made possible through STEP, which is supported by a Rotary district 5320 matching grant.
