Project to Improve Freeway Flow

Sarah Swensson King, Media Relations Manager for Transportation Corridor Agencies (TCA) recently visited AHRC to provide updates on the 241/91 freeway project, which is expected to alleviate traffic bottlenecks between the busy road which connects the counties of Orange and Riverside. Sarah offered users of toll road transponders valuable information and encouraged drivers to visit thetollroads.com for information on discounts and project updates.

In Memory of George Boyd

Anaheim Hills Rotary Club members were deeply saddened to learn of the passing of their friend and member of the Rotary family, George Boyd. Rotarians came to know this warm and generous man through his wife, Sharon, who is a member and Past President of AHRC. The Boyds graciously open their home for Club meetings and social gatherings, and George's considerable barbequing skills and his love of cooking and "feeding friends and family" made every event a special occasion.

George attended many Rotary Club and District activities, as well as the RI Convention in Lisbon, Portugal. He traveled with Sharon twice to Caborca, Mexico where he administered polio vaccines. George was generous and his desire to help others was evident in every aspect of his life. His and Sharon's philanthropy led to their becoming Major Donors of The Rotary Foundation this past year.

Well Done, Ofir!

Congratulations to AHRC's Dr. Ofir Turel! With his colleague Shaun Pickler, Ofir has authored "The Information and Communication Technology User Role: Implications for the Work Role and Inter-Role Spillover".

Say What???

One of newest members, Pooja Lakhia, did it perfectly. Our multi-lingual members can do it in a foreign language. So, how is it possible that *The CEO* can't do it? Well, unbelievable as it may seem, a certain veteran member stumbled a few weeks ago reciting the Four Way Test.

Might we recommend this nifty tool as a solution in the event of an emergency? ☺

Finally...

He may not know the difference between a factoid and a "factord", but we're happy to report that this fun-loving and hard-working Rotarian will be this year's Easter Festival Chairperson!
