### **Her Office Door Is Open**

AHRC's Jonelle Strickland announced that she will dedicate Thursdays from 5:40 to 6:30 to work on club business, including strategic planning, membership, and fundraising.

All members are invited to join Jonelle for these brainstorming sessions!

They will take place at the Clubhouse, just outside of our meeting room.

## **A Busy 4<sup>th</sup> of July for AHRC Members**

Three community service projects kept AHRC members very busy this Independence Day. Early in the morning, Rotarians welcomed runners and spectators who lined up for a hearty breakfast following the annual 5K/10K Firecracker Run sponsored by the Anaheim Hills Community Council.

President Jonelle Strickland and the club's newest member, Eunice Montes-Hamaguchi, captured the spirit of the holiday with red, white, and blue balloons which spelled "Rotary" on a fun float that they decorated and rode in the Anaheim Hills 4<sup>th</sup> of July Parade.

In addition to the community events, club members joined our friends from the Anaheim Rotary Club to sell fireworks. The portion of the fireworks sales which is returned to the club will be used to fund AHRC's many service projects.

# Fireworks Booth

The Rotary clubs of Anaheim and Anaheim Hills teamed up this year to staff one of the eight fireworks booths which the City of Anaheim awarded to local not-for-profit organizations via a lottery system.

AHRC's Tony Siragusa partnered with Anaheim Rotary's Jim Barden to coordinate staffing for the booth's set-up, take-down, and fireworks sales.

Special thanks go to Mike Seaman, who volunteered to staff the AHRC overnight shifts and keep watch over the booth.

The clubs' successful partnership will soon be celebrated during a special fellowship event – details will be forthcoming!

## Thank You from Canyon High

The talented team from Canyon High's fencing team sent AHRC some beautiful thank you cards in appreciation of the STEP award recently given to the team. AHRC was honored to be able to help the team, which has flourished under the leadership of Elizabeth Zarkos.

## Taking Seven Steps

Peter and Lydia Mehit recently visited AHRC to discuss the keys to developing great business plans. Their company, Custom Business Planning & Solutions, helps businesses craft business plans using their recommended "seven steps" (idea, visualization, thought, action, methods, friends, and circumstances). Peter and Lydia are seen below with AHRC's Tony Siragusa.
