“Service Above Self” Awards Presented

Roy Jefferson proudly presented two Canyon High School students with \$500 “Service Above Self” scholarships at the school’s recent Senior Awards Night.

AHRC worked with Canyon High’s faculty to select seniors Katrina Mogannam and Sahil Sanghvi as this year’s award recipients.

Katrina Mogannam is “an involved member of the Class of 2017 and an outstanding student leader.”

“Katrina has been on the Associated Study Body government for three years which has allowed her to develop and strengthen her leadership skills as well as being a Spirit Leader for Varsity Song and a member of the National Honor Society. Katrina has held ASB positions that have a lot of responsibility for important school wide events and her hard work has been met with great success. As the Commissioner of Dances for the past two years, Katrina’s leadership has seen record breaking ticket sales, reductions in expenses, and overall enthusiastic feedback from students.” Katrina will be attending San Diego State University in the fall, ready to continue her education, while she continues to model “Service Above Self”.

“Through his position as ASB Commissioner of Technology, Sahil Sanghvi has worked with and served all groups on campus including students, teachers, counselors, and administrators. For the past two years, Sahil has run technology for ASB events and has worked on the Counseling Department Career Nights, Senior Transition Presentations, and the Cord and Tassel Award Ceremony. Sahil is also the engineering director on the Science Olympiad team and a member of Canyon’s audition only Jazz Ensemble. Sahil’s goal has been to make Canyon a better place and he has certainly done so by bringing his upbeat personality, expertise, and professionalism to all endeavors.” Sahil will move on to UC Berkely next year. Sahil will continue to make an impact as he is a person who believes in “Service Above Self.”

Interact Club Leadership Changes

This year has been a successful one for the Canyon High Interact Club. The Club's "community footprint" surpassed over \$2,000 for this past year, as measured in the number of tutoring hours the Interactors dedicated to helping underprivileged students through the Learn To Be project.

The Club's graduating seniors who served as officers this past year, Murtaza Ali (President) and Asheel Parikh (Vice-President), attended a recent AHRC meeting to introduce the Club's incoming officers and thank AHRCers for their support.
