Upcoming Events / Highlights

Please make every effort to attend the District Assembly, which will be held this Saturday beginning at 7am at Chapman University

The annual event is known for its inspirational guest speakers and valuable training.

President-Elect Jonelle Strickland has offered to treat AHRC members to lunch following the Assembly!

AHRC Family Comes Together

After a difficult few weeks for the AHRC family, it was a joyous evening last week as members held a meeting at the home of Mitchell Fern and his wife, Grace. The gracious hosts had prepared a feast of appetizers, beverages, and desserts to complement the BBQ dinner delivered by AHRC. While Mitch has been recuperating from illness, it was comforting to see that his humor is as sharp as ever as he exchanged witty barbs with his fellow members.

Thank you, Grace and Mitch, for your warm hospitality!

Valentine's Day Celebration

Lucky AHRCers who attended this year's Valentine's Day Celebration enjoyed a delicious meal and hearty laughs as they learned how compatible they were with their mates (and other members!) via a fun survey developed by hosts Jonelle Strickland and Pooja Lakhia.

While the results of the test revealed some interesting coupling, AHRC news is more curious to learn how many members *actually* knew what an autoclave is.

An Eye-Opening Presentation

If you don't know the difference between an optometrist, an ophthalmologist, and an optician, (or you don't speak fluent Greek which gives you a distinct advantage in figuring these things out), then hopefully you attended the informative presentation given by Dr. Harry Charm at a recent Club meeting. Those present might not have retained all the information Harry shared, but they are sure to remember the fascinating photos of eyes (and eye diseases) that reminded us all of the importance of proper eye care.

Thought for the Day – A Poem on Friendship

A Time to Talk
By Robert Frost

When a friend calls to me from the road
And slows his horse to a meaning walk,
I don't stand still and look around
On all the hills I haven't hoed,
And shout from where I am, 'What is it?'
No, not as there is a time to talk.
I thrust my hoe in the mellow ground,
Blade-end up and five feet tall,
And plod: I go up to the stone wall
For a friendly visit.
