Thank You, Bryan!

Let's raise *our* glasses to toast and thank first-time Oktoberfest chairperson Bryan Smith.

Great job, Bryan!

11th Annual Oktoberfest Hosted by AHRC

Beautiful weather, great food, cold beer, and many free activities made for a fun event as AHRC held its 11th Annual Oktoberfest at the Oak Canyon Nature Center this past Saturday.

Club members and other volunteers welcomed hundreds of visitors who came to enjoy the family-friendly atmosphere. Attendees danced to the music of a German "oompah" band, dined on delicious bratwurst fresh from the grill, visited vendor booths, and watched dachshunds race and strut their stuff in a costume contest.

Working alongside the AHRCers were former club members Sharon Boyd, Sterling Gary, and Doug Cohen, along with members from the Placentia Rotary Club and many AHRC family members and friends.

Volunteers from a variety of organizations including our friends from Placentia Rotary, the Boy Scouts, and the Girl Scouts helped to make the event a success.

At left: District Governor Ian Hicks, his wife Janet, and their grandchildren stopped by to support AHRC and enjoy some beer and great food. Past District Governor Kevin Padilla and his wife, Lorraine, as well as District Governor Nominee Mark Aarons were also in attendance.

Above: This year's hot dog eating contest participants included the prior multiple years' winner (far left) and former AHCer Sterling Gary (second from right). The young lady on the far right won this year's contest, gobbling up six hot dogs in less than 5 minutes.

Anaheim Hills Rotary Club

Chartered in 1985

Officers & Chairpersons 2017-2018

Board of Directors

A Hidden Gem in Anaheim Hills

AHRC members were recently treated to a private tour of The Ramon Peralta Adobe museum. Tucked away in a shopping center in Anaheim Hills, the adobe is located on land that once was part of the Rancho Santiago de Santa Ana. Following the tour, AHRicers enjoyed a casual dinner at Pepz Pizza.

According to the Orange County Parks website, "While the Peralta Adobe was not the oldest adobe built in the Santa Ana Canyon, it is the only one still standing in the canyon today. The Peralta Adobe contains a small museum featuring the history of the Santa Ana Canyon from the first Spanish explorers to the area in 1769 to the present. Historical exhibits are available for public viewing including artifacts excavated on site and a timeline mural. A furnished period room and numerous photographs tracing the history of the first European settlers to the canyon are on exhibit."
