Focus on Fellowship

Every August is a special month for AHRC, as club members and their families enjoy fellowship and the hospitality of members who open their homes to host the club's weekly meetings.

It is also the time club members are preparing for our club's 11th Annual Oktoberfest, which will be held at the Oak Canyon Nature Center on Saturday, October 21. Chairperson Bryan Smith, with the help of event veterans George Gillespie and Roy Jefferson, is doing a great job planning the event's many activities. Volunteers are still needed for a variety of areas, and we welcome the assistance of our family members and supporters on the day of the event!

Eagle Scout CJ Writer

AHRC congratulates Carl "CJ" Writer on completing his journey to becoming an Eagle Scout. CJ designed, planted, and installed four water conservation demonstration gardens for the City of Anaheim at the Lenain Water Treatment Facility. Our club is proud to have provided CJ with financial assistance for his Eagle Scout project. AHRC's George Gillespie, who serves as is our club's liaison to Cub Scout Pack 546, was in attendance at CJ's Eagle Scout ceremony.

Mitchell Fern

It was with great sadness that club members learned of the passing of club member Mitchell Fern. A member of the AHRC family since January, 2013, Mitch will be remembered for his humor, generosity, and warmth.

Mitch was a proud Rotarian. Although he was fighting a serious illness, he happily hosted a club meeting at his home with his wife, Grace (seen in photo with Mitch), just a few months ago so he could visit with fellow club members and catch up on club news.

His presence and dedication to service will be missed. Rest in peace, Mitch.
